

ProFlex®

601

KNEE COMPRESSION SLEEVE

The ProFlex® 601 Knee Compression Sleeve provides breathable comfort and support to relieve knee pain on and off the worksite. The knee sleeve compresses the joint to improve blood flow and reduce swelling. It also lends support for an improved sense of joint stability. Increase productivity by reducing pain and accelerating injury recovery with this knee compression sleeve.

Features

- **ADDITIONAL IMPACT PROTECTION** – Compliant to EN 12492 side impact testing requirements
- **COMPRESSES KNEE JOINT** – Reduces pain by improving blood flow and decreasing swelling
- **KNIT CONSTRUCTION** – Breathable but supportive, enables full range of motion for all-day comfort
- **SUPPORTIVE** – Increases sense of joint stability
- **ANTI-SLIP** – Silicone grip on thigh keeps sleeve in place during use
- **LOW-PROFILE** – Subtle gray color, wear under clothes without bulk
- **WORKDAY TO WEEKEND** – Designed for workers, athletes or anyone needing benefit of compression
- **TWO PACK** – Comes with two (2) knee compression sleeves per package
- **MACHINE WASHABLE**
