HI-VIS RAIN PANTS - CLASS E, BLACK BOTTOM

The GloWear® 8915BK Hi-Vis Rain Pants are Class E pants that provide waterproof and breathable protection against wet conditions, with black panels to hide dirt and wear. An elastic waistband enables comfortable wear alone or over a base layer, with zippered openings for easy on/off over boots. These durable pants are built for demanding conditions, with a breathable polyurethane coating that allows moisture to escape while sealing out rain to keep workers dry. ANSI-compliant polyester fabric and 3M™ Scotchlite™ Reflective material keeps workers highly visible at night or in low-light conditions.
