

SKULLERZ®

8946

STANDARD BASEBALL CAP W/ 8945 UNIVERSAL BUMP CAP

The Skullerz® 8946 Standard Baseball Cap is a customizable baseball hat designed to integrate with the best-selling Skullerz® 8945 Universal Bump Cap Insert (included) for use on worksites where hard hats aren't required, but head impact protection is still needed to shield against bumps, scrapes, bruises and other minor head injuries. Designed with logo customization in mind, this baseball cap provides a never-before-seen combination of form and function.

Features

- BUMP CAP COMPATIBLE – Seamlessly integrates with best-selling Skullerz® 8946 Universal Bump Cap (included)
- CUSTOMIZABLE – Designed with custom logo embroidery in mind
- REFLECTIVE ACCENTS – Piping on brim keeps workers safe and seen
- ADJUSTABLE – Hook & loop closure, one size fits most
- BREATHABLE – Mesh back half for increased airflow and cooler feel
- TWO COLORS – Available in black and navy
