RECHARGEABLE UNIVERSAL HARD HAT LED LIGHT

The Skullerz® 8987 Rechargeable Universal Hard Hat LED Light easily attaches to any Skullerz® Hard Hat or Safety Helmet light mount. This rechargeable hard hat light features a slim profile and pivoting mount for up to a 64° lighting angle. A one-button switch supports three working modes: boost (all-on), spotlight and floodlight. Boost (300 lumens for 4 hours) is for maximum light, spotlight (215 lumens for 9 hours) is for tight-beam long distance visibility and floodlight (100 lumens for 14 hours) is for wider close area visibility.
