

TOTAL AIRHEAD

ULTRA BREATHABLE TYPE 2 SAFETY HELMETS

Folks who prefer Skullerz Safety Helmets are definitely missing something upstairs — namely the thick layer of heat-trapping foam commonly found in other safety helmets.

SKULLERZ® TYPE 2 SAFETY HELMETS

Added impact protection that won't turn you into a hot head. Now that's using the ol' bean.

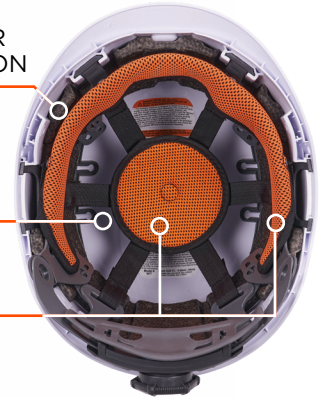

ADJUSTABLE VENTS
(CLASS C ONLY)

LIGHTWEIGHT FOAM HALO FOR ALL-AROUND IMPACT PROTECTION

OPEN FRAME SUSPENSION FOR AIR CIRCULATION AND BETTER FIT

BREATHABLE, MOISTURE-WICKING PADS (MACHINE WASHABLE)

VS.

LEADING COMPETITOR

THICK FOAM LAYER TRAPS HEAT + SWEAT

“BAD LITTLE BUCKET”

The venting is easy to open and close [...] so your potato doesn't get baked.
