

5545

ARM & WRIST SCANNER MOUNT

QUICK, SECURE ACCESS

DETACHABLE, 360° ROTATING MOUNT

5545 Arm & Wrist Scanner Mount with Extender Strap

Designed to be worn anywhere on a user's arm (wrist, forearm or upper arm) the **Squids® 5545 Arm & Wrist Scanner Mount** swivels 360° and offers complete access to all buttons and controls in either portrait or landscape mode.

- **QUICK, SECURE ACCESS** – Prevents drops, keeps scanners close and ready
- **360° ROTATION** – Scanner mount rotates to access all buttons and controls in either portrait or landscape mode
- **EASY INSTALLATION** – Durable hook & loop straps wrap around arms or wrist for a secure fit
- **ALL-DAY COMFORT** – High-quality elastic band is breathable and lightweight
- **ACCESSORY SLOT** – Elastic accessory loop holds a stylus, pen, pencil, marker or small cutting tool
- **FLEXIBLE SCANNER SIZING** – Snug elastic sides accommodate a variety of scanner sizes
