

SQUIDS[®]

TRADES TETHERING KITS

INSTALLATION INSTRUCTIONS

A TOOL TETHER MADE FOR YOU

It's all here - everything you need to tether the most common tools for the job, complete with simplified, step-by-step instructions. Gravity be warned. There's a new Drop Cop™ in town.

For full Squids® Tool Attachment and Tool Lanyard installation and user instructions please refer to each product's individual instructions which can be found inside of the product packaging. For more detailed instructions, please refer to the product videos on www.ergodyne.com.
